# NEW MIAMI

MODEL WITH DECORATIVE MILLING

- **ELABORATE MILLING** OF THE HIGHEST QUALITY
- **UNIQUE** VISUAL IMPRESSION
- **REGULAR AND SYMMETRICAL GROOVES**
- **RECOMMENDED FOR BOTH NATURAL VENEERS AND VARNISHED SURFACES**

Our furniture collection, expanded to include the MIAMI model, represents a revolutionary combination of functionality and artistic design. **The regular and symmetrical grooves** accentuate the fine surface structure of the door, creating a **unique visual impression in the interior**. We manufacture our furniture using a special milling process that guarantees precision execution all the way up to a surface finish as a natural veneer or varnish in matte or glossy versions.

**ONE HOME. ONE BRAND.**
